

## **Plan Member/Spouse Section**

If your Canada Life group life insurance has been terminated or reduced, you may be entitled to purchase an individual life insurance conversion policy, without providing medical evidence of insurability. The life conversion application <u>must be received within 31 days</u> after your group terminates or reduces, so it is important to follow these instructions. Here's what you need to do to convert your group life insurance:

Step 1: Provide your advisor with this completed Group Life Conversion Privilege Notification form.

If you do not have an advisor or your advisor is not licensed to sell Canada Life or Freedom 55 financial products, please visit www.canadalife.com - Contact us

An advisor will contact you and explain the life conversion options available so you can make the right choice based on your current insurance needs.

You may also speak to a customer service representative by calling:

English: 1-800-665-0551 French: 1-800-665-2630

The customer service representative will assist in connecting you with an advisor.

Step 2: Submit your completed application for the individual policy with the first premium in full to Canada Life or Freedom 55 Financial within 31 days after your group insurance terminates or reduces.
