Life and Accident Insurance

Good news! We are pleased to share that there will be **no change to the current Group Life, Family Life and Accident Insurance rates.**

Need to change your coverage?

When eligible life events occur, you have **90 days before or after the life event to make changes to your coverage.** If you increase your Group Life Insurance coverage within the 90-day period before or after a life event, you do not have to provide medical evidence of insurability. In order for the new coverage to take effect, you must be actively working.

Eligible life events include:

- Legal or common-law marriage
- Loss of your coverage under your spouse's group benefits program
- Divorce or termination of a common-law relationship
- The death of your spouse
- The birth or adoption of your **first** child

Family Life coverage can be added without medical evidence of insurability within the 90-day period before or after acquiring your **first** dependent.

Changing your Accident Insurance coverage

Every September, you have the opportunity to **add or increase your Accident Insurance**, or add this coverage for your dependents. To do so you must be actively working. No evidence of insurability is required.

Contact your payroll administrator for an application form. Your new coverage will begin on the date your application is received by your administrator.

You must submit your application on or before September 30, 2022.
